PROJECT

- **NETFLIX DOMAIN CLONE**
  It's just a duplicate copy of Netflix domain (https://www.netflix.com/in/) which I have made using HTML, CSS & JavaScript.

- **TAB SAVER EXTENSION**
  This is an Extension which saves recent tabs for remembering ahead it's like Bookmark feature. Which I have made using HTML, CSS and JavaScript.

- **CALCULATOR**
  Created calculator using HTML, CSS and JavaScript.

- **MINIONS LANGUAGE TRANSLATION**
  Did you know that the gibberish they say is an actual language? Use the translator to convert your text from English to Minion speak or Banana language.

- **EBONIC LANGUAGE TRANSLATOR**
  Ebonics (or African American Vernacular English) is a variety of American English, most commonly spoken today by urban working-class and largely bi-dialectal middle-class African Americans.

- **IS YOUR BIRTHDAY A LUCKY?**
  A website which can help you to check whether your birthday is lucky or not.

- **LETS TEST YOUR KNOWLEDGE**
  This is an IQ quiz to check your knowledge made using JavaScript.

- **PORTFOLIO**
  Created Portfolio of my sister using HTML & CSS.

- **HOW WELL DO YOU KNOW ME?**
  It's a CLI app built with Node JS which tells you about me.
